## About UC Medicare Choice

The University of California (UC) has selected UnitedHealthcare® to offer UC Medicare Choice, a UnitedHealthcare® Group Medicare Advantage (PPO) which is a Medicare Advantage PPO plan with a Medicare contract.

To join this plan, you must be entitled to Medicare Part A, be enrolled in Medicare Part B, live in our service area as listed below, be a United States citizen or lawfully present in the United States, and meet the eligibility requirements of the University of California (plan sponsor). Our plan is only available to Medicare-eligible retirees who reside in California. You can get services nationwide, but you must continue to live in California to remain a member of the plan.

Our service area includes the 50 United States, the District of Columbia and all US territories.

## About providers and network pharmacies

UnitedHealthcare® Group Medicare Advantage (PPO) has a network of doctors, hospitals, pharmacies, and other providers. You can see any provider (network or out-of-network) at the same cost share, as long as they accept the plan and have not opted out of or been excluded or precluded from the Medicare Program.\* If you use pharmacies that are not in our network, the plan may not pay for those drugs, or you may pay more than you pay at a network pharmacy.

You can go to [retiree.uhc.com/uc](https://retiree.uhc.com/uc) to search for a network provider or pharmacy using the online directories. You can also view the plan Drug List (Formulary) to see what drugs are covered and if there are any restrictions.

\*Outpatient licensed behavioral health providers do not need to participate in Medicare.

## Prescription Drugs

The University of California has chosen to make supplemental drug coverage available to you. This coverage is in addition to your Part D prescription drug benefit. The drug copays in this section are for drugs that are covered by both your Part D prescription drug benefit and your supplemental drug coverage. You can view the Certificate of Coverage at [retiree.uhc.com/uc](http://retiree.uhc.com/uc) or call Customer Service to have a hard copy sent to you.

The University of California offers additional prescription drug coverage. Please see your Additional Drug Coverage list for more information.

If you reside in a long-term care facility, you will pay the same for a 31-day supply as a 30-day supply at a retail pharmacy.

After your out-of-pocket costs (what you pay including coverage gap discount program payments) reach the \$7,400 limit for the plan year, you move to the Catastrophic Coverage Stage. In this stage, you will continue to pay the same cost share that you paid in the Initial Coverage Stage.
